

Health Care Reform Seminar

Fishers Island Community Center and The Health Consultants Group, cordially invite you to attend a *FREE* seminar on Health Care Reform.

The Patient Protection and Affordable Care Act imposes many obligations on businesses.

- Are you ready for Health Care reform?
- How does the mandate delay affect businesses?
 - What regulations must still be followed?
- What are strategies that should be considered?
 - Defined contributions
 - Self funding
 - High Deductibles with HSA's
- What should be done to assist part-time employees?

Come find out more!
